PETITION TO BE ACCORDED A FILING DATE UNDER 37 C.F.R. § 1.17 (h) AND 1.53 (e)

Dear Commissioner:

The Initial Patent Examination Division has denied according this application a filing date on the grounds that the application was submitted without drawings. A copy of this notice is enclosed. This allegation is incorrect. There was one page of drawings submitted with the specification as evidenced by the U.S.P.T.O. returning a postcard that accompanied the application that listed the items sent to the U.S.P.T.O. A copy of this postcard and the page of drawings are included. The last item listed is that for the drawings. The specific wording for this item is "Formal Drawings (1 pg.)," which makes it unambiguous that drawings were included. The U.S.P.T.O. returned the postcard, giving the application serial number 09/884,377, and confirming receipt of one page of formal drawings. Accordingly, Applicants request according the application the filing date of June 18, 2001, based on the Express Mailing of the application. In light of this, Applicants request refund of the petition fee.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC
